Spring Recital Update

We're excited to share an important update about our 2026 recital!

After carefully exploring venue options and working through scheduling logistics, our recital will now take place on June 12–13 at the Ryan Concert Hall at the T. Furth Center for Performing Arts.

While we had previously planned for a June 5–6 recital, finding the right venue was a top priority. We wanted a space that allows our dancers to truly shine and provides a smooth, enjoyable experience for both performers and families. After considering all available options, we're confident this is the best fit for our studio.

We understand that a date change can be an adjustment, and we truly appreciate your flexibility and support as we move forward. As always, our goal is to create a recital experience that is organized, memorable, and special for every dancer on stage.

More details—including show assignments, schedules, and ticket information—will be shared soon.

Thank you for being such an important part of our studio family—we can't wait to celebrate an amazing recital season together!

Congratulations to the Studio A Dance Team on an outstanding first competition!
