

PICTURE WEEK

Picture Week will be from May 11-14. During this time, we will not have regular classes. All dancers should come to the studio during their scheduled picture times to have both group and individual photos taken. Check the next page for your specific time. While we will do our best to stick to the schedule, there may be delays or early starts, so please be prepared for potential wait times.

Dancers should arrive with hair and makeup completed. Feel free to style your dancer however you like for their photos. Bring all costumes, tights, and shoes needed for that day's pictures. A dressing area will be available for changing. Please avoid changing in the bathrooms to prevent congestion in the hallway leading to the photography area.

Acro classes will also have photos taken, even if they do not participate in the recital. Acro students should wear all black dance attire (such as leotards, bike shorts, or leggings - no loose-fitting clothes).

Photography will be provided by Laura Pentecost. Each dancer will pose for three individual photos and a group photo for each class. Teachers will show dancers their poses in class before picture week, and they will be present at the photo sessions to help with posing.

Picture forms will be included with this recital packet and will be available during Picture Week. All photo orders should be submitted online through Laura Pentecost's website. Please refer to the picture form for additional details.

DRESS REHEARSAL WEEK: JUNE 8-11

Dress rehearsals are scheduled for the week of June 8-11 at the T. Furth Center, located at 500 W Maumee St, Angola, IN. During this time, there will be no regular classes at the studio. Each class will have a designated rehearsal time on the same weekday as their usual class. Refer to the next page for the dress rehearsal schedule. While we aim to stay on schedule, rehearsal times are approximate, so please expect possible wait times.

Dancers should arrive in costume, including tights, appropriate dance shoes, and hairpieces. Hair and makeup do not need to be done for rehearsal, but please make sure hair is pulled back into a ponytail or bun to keep it out of your dancer's face.

When you arrive, you will find your class's assigned seats in the auditorium. Rows will be labeled by class day/time and song title. Each class will stay in their seats until it is their turn to rehearse.

A teacher will escort dancers to the stage when it's their turn. Each class will practice their dance on stage, then return to their seats. If dancers are in another class, they will go downstairs to the dressing area to change and then find their next class's assigned seats. Once their rehearsal is over, dancers are free to leave. Be sure to take all costumes, accessories, and shoes home.

Parents are welcome to stay in the theater during rehearsals. Teachers will not assist with costume changes, so if your child needs help, please stay for their rehearsals. Please do not bring extra guests to dress rehearsal.

SPRING RECITAL 2026: JUNE 12 & 13 AT FURTH CENTER

Studio A will host three performances at the T. Furth Center:

- Friday, June 12 at 6:30 pm
- Saturday, June 13 at 2:30 pm
- Saturday, June 13 at 6:30 pm

All classes with an average age of 9 and above, along with solos, duos, trios, and competition classes, have been scheduled for two performances. Classes with an average age of 8 and under are scheduled for one show. See the next pages for your classes' assigned performances.

Theater doors open one hour before each show. Please check your dancers into the holding room (downstairs, Room 107) at least 20 minutes before the show starts. Dancers should arrive in costume with tights, appropriate shoes, make-up applied, and hair styled with accessories.

For dancers in multiple routines, costumes will be placed in Room 113 (across from the holding room) when you check in. Please bring costumes on a hanger, as classes will be assigned a hanging rack for easy access. Please clearly label all costumes and shoes with your dancer's name.

All dancers will stay in the holding room for the entire recital. Please discuss proper behavior with your dancers: quiet voices, no running, and listening to the staff. If serious misbehavior occurs, a backstage volunteer will escort the child to their parents in the theater. A small snack (animal crackers, pretzels, and water) will be available. Dancers may bring items like books, coloring books, or small toys to keep themselves occupied. Note that Studio A is not responsible for lost, stolen, or damaged items.

At the end of the recital, all dancers will return to the stage for the finale number and bow. Then, they will be dismissed back to the holding room for pickup. Feel free to take photos on stage, in the lobby, or outside the auditorium once you have retrieved your dancer and their belongings.

Please note that, in compliance with Studio A Dance Center policy, account balances must be paid in full in order for your dancer to participate in the recital.

TICKETS

Tickets cost \$15 per person, with free entry for children 3 and under and for dancers who are not performing.
